

COMPANY PROFILE

[LOFFT.IN](https://www.lofft.in)

A modern kitchen interior with a wooden island, white cabinetry, and open shelving. The island has a wooden countertop and is surrounded by three black stools. The background features white cabinets and a wooden backsplash. A large window on the left side shows greenery outside. The floor is made of light-colored wood.

Creating timeless Interiors that inspire.

The background of the slide is a light gray wall with a white shadow box containing the title. To the left, there are two hanging glass terrariums with green plants. Below them is a blue tufted sofa with a white pillow. In the center, a green fern plant sits in a white pot on a white round side table. To the right, a floor lamp with a beige lampshade and a black and wood tripod base is visible.

ABOUT US

Our Journey

Lofft Interior Journey: Where Spaces Become Stories. Our firm blends creativity and functionality to craft personalized interiors that reflect your unique vision. From conceptualization to execution, we elevate spaces with meticulous craftsmanship and attention to detail. Experience the art of living beautifully with Loft Interior Journey – where every design tells a tale of elegance and sophistication.

ABOUT US

What We Do

Objective

We aims to craft personalized, functional, and aesthetically pleasing spaces that resonate with clients' individual styles and needs.

Solution

We provides tailored design solutions that seamlessly blend creativity and functionality to transform spaces into captivating environments.

ABOUT US

Milestone

2016

In 2016, Aaradhya Architects was founded, pioneering a new era of personalized interior design and architecture solutions.

2021

In 2021, we celebrated five years by inaugurating a new office and launching our vertical firm for interior design, known as Lofft Interiors, further expanding our reach and commitment to exceptional design while fostering stronger client relationships.

2023

In 2023, Lofft Interiors achieved industry recognition for innovation, winning the prestigious Interior Design Firm of the Year award.

2024

In 2024, Lofft Interiors is poised to revolutionize design practices, pioneering innovative materials and techniques in the industry.

Beauty lies in details

We believe in client preference for finishes on surface, we hand hold and suggest whichever is best for their lifestyle, taste and budget & we believe in sampling before applying

Let us walk you through our work.....

A 3D rendering of a modern living room. The room features a light blue tufted sofa with two patterned throw pillows. In front of the sofa is a round, light-colored wooden coffee table with three legs, holding two lit candles and a vase with dried flowers. To the left, a tall, clear glass vase holds pink pampas grass. The floor is made of light-colored wood with a herringbone pattern. The background wall is a solid, muted blue color.

The previous were some of the 3D examples of our previous projects. To view the final outcome kindly contact us at: +916351557455

Our Process

Research

We're diving deep to understand exactly what our clients want, so we can create custom interior designs that really wow them and perfectly match their dreams.

Finalize

Refining the interior project to absolute perfection, ensuring it embodies the client's vision and delivers an unparalleled level of satisfaction.

Design

Crafting designs tailored to our clients' desires, blending functionality and aesthetics seamlessly to elevate their spaces with personalized style and comfort.

Execution

Bringing the meticulously crafted interior design to life, seamlessly executing every detail to realize the client's vision with precision and excellence.

In Our Turnkey Service

Detail Designing

We offers comprehensive services including 3D renderings, detailed working drawings, and precise 2D designs to bring our clients' visions to reality with accuracy and creativity.

Labor & Material

Offering comprehensive labor and material services, our interior firm ensures efficient project execution, complementing our design solutions for a seamless client experience.

Hand-holding Selection

We provides expert selection services, guiding clients through the process of choosing the perfect materials, furnishings, and decor to achieve their desired aesthetic and functionality.

Site Management

We offers professional site management services, overseeing every aspect of the project implementation to ensure timely execution and quality control, guaranteeing a hassle-free experience for our clients.

Testimonial

They turned our corporate office into an impressive and functional workspace, executing the interior project with professionalism and precision, exceeding our expectations.

Their ingenious approach to interior design not only transformed our space but sparked a creative revolution within our team, inspiring innovation and collaboration at every turn.

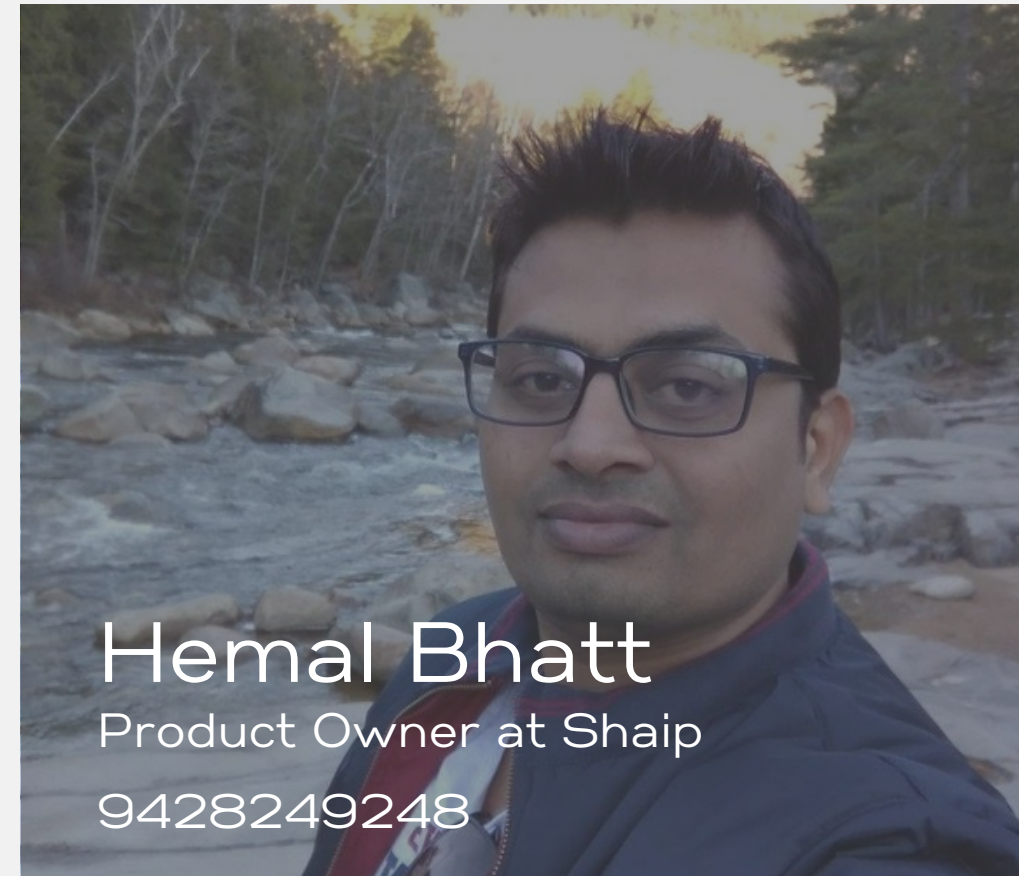

Their expertise in interior design elevated our workspace, creating a modern and efficient environment that truly reflects our company's identity and values.

Testimonial

Of-Course it matches our expectation, i must say the overall ambience of my home is enhanced.

When we started the process we were confused how it's going to happen, but at the end it matched our expectation and imagination as well

My home Looks crazily Amazing then i ever imagined before
